Start the day your way

- Sleep timer for easy fall asleep to your favorite music
- Repeat alarm

PHILIPS
sense and simplicity

Highlights

Wake up to radio or a buzzer

Wake up to sounds from your favorite radio station or a buzzer. Simply set the alarm on your Philips Clock radio to wake you with the radio station you last listened to or choose to wake up with a buzzer sound. When the wake up time is reached, your Philips Clock radio will automatically turn on that radio station or trigger the buzzer to sound.

AM/FM tuner

AM/FM tuner

Large LCD

The large LCD text display guides you through control options with ease, while display backlighting simplifies controlling your complete home entertainment environment in the dark. Stay informed and in control.

Easy alarm/time set

Sleep Timer

Sleep timer lets you decide how long you want to listen to music or a radio station of your choice before falling asleep. Simply set a time limit (up to 1 hour) and choose a CD or radio station to listen to while you drift off to sleep. The set will continue to play for the selected duration and then automatically switch off to a power-efficient, silent stand-by mode. Sleep Timer lets you fall asleep to your favorite CD or radio DJ without counting sheep or worrying about wasting power.

Repeat alarm
